

# 8 reasons to study in Romania

When I think about Romania, the first thing comes to mind is the legend about Dracula, but Romania has a lot of interesting things. This medieval city, picturesque monasteries and majestic mountains, and beautiful nature, and delicious cuisine, and, of course, high quality education! Romania is the perfect place for training, and diplomas are recognized throughout Europe and beyond. In addition, the diploma Supplement is bilingual, providing transparency of learning outcomes and improves employment opportunities.

## 8 reasons to study in Romania:

**1. Graduates receive a diploma that is recognized throughout Europe and beyond.** Romanian higher education is known for its rich academic heritage; the first Romanian universities created in 1800-ies.

Offering modern facilities, exciting student life and new opportunities for research, Romania provides students with the opportunity to enjoy the famous University tradition especially in the fields of science, technology, medicine, business administration, computer science and art. Over 25 Romanian universities can be found in the international rankings.

**2. World's fastest Internet.** Romania ranks third in the world in super-fast connection to the Internet, allowing students can use for learning, socializing or just enjoying music on YouTube.

**3. Training programs in English, French, German, Romanian, Hungarian and even Chinese.** Romania has a wide range of University programs. Of the nearly 90 public and private accredited [useful reference](#) higher education institutions, students can choose various programs of bachelor's, master's and doctorate, lead to the diploma recognized in the EU.

**4. Affordable tuition fees and living expenses.** Maintaining academic standards, Romania offers affordable tuition fees and living costs in the European Union.

**5. Cultural life.** Bucharest has more than 40 museums, and Romania has the world's second-largest outdoor Museum; the Astra Museum in Sibiu. Museums, theatres, festivals, concerts, and various outdoor activities make Romania an ideal choice for foreign students. Students have many discounts for visits of cultural events, museums, or historical sites, discounts on public transport, dormitories, etc. Nightlife is also pretty interesting.

**6. Employment opportunities.** It is important that, in accordance with Romanian law, foreign students are allowed to work part-time. There are many opportunities to work as a student: apply directly to the vacancy posted online, in call centers and outsourcing companies, where students can find a job part time or through company recruitment and student non-governmental organizations that help to find a job according to the schedule of the student.

**7. Quality of life.** Romanians are warm and friendly people, and hospitality; this is their famous feature. Students will live and study in one of the safest countries in Europe, where the crime rate is the smallest in Europe. 210 Sunny days per year provide many opportunities to enjoy time outdoors!

**8. A great place to travel.** Having eight world heritage sites of UNESCO, Romania is a country with different landscapes and cultural attractions. You have a great opportunity to go to Transylvania and visit the places where the legend of Dracula. Bran castle, located in the country, the fortified city of Sighisoara.

Students can also choose the coast with its wide shallow sandy beaches and modern club resorts, the Danube Delta, the Carpathian mountains with their excellent Hiking trails and ski resorts. Western Romania is characterized by multiculturalism and has numerous music festivals (Electric Castle, Summer Well, Untold, Plai, Garana Jazz Festival, and others).

Romania is ready to be a home for foreign students!
